You have been hired by an organization
that supports community programs that
get results and improve lives.

United Way
of Rock River Valley

welcome...

United Way
of Rock River Valley

Welcome. We invite you to join your co-workers in supporting your community through United Way.

You have joined an organization that demonstrates its commitment to a better Rock River Valley through an annual United Way campaign. Because of your co-workers and employer's **generosity**, children are nurtured, the elderly remain independent, families are strong, basic needs are met and youth are better prepared for a productive adulthood.

At United Way, we are committed to you and to your success. We are dedicated to our **community** and work to deliver measurable, tangible results. Join us in our commitment by supporting our community through United Way.

We each have an **opportunity** to make a difference in the lives of others by investing today in what matters.

United Way is the driving force behind hundreds of initiatives past and present that provide solutions to the Rock River Valley's most critical needs. Our goal is to focus on what matters — strengthening youth and families, improving educational opportunities and making sure that those who need help can get it.

What happens with gifts given to United Way?

Any eligible nonprofit organization may submit a proposal for United Way funding. These proposals undergo a rigorous approval process. Once funded, the programs are closely monitored to ensure the money is invested wisely and the programs get the best results.

United Way is committed to:

- Reporting the impact of your investment.
- Holding itself accountable to you.
- Being a trusted steward of your dollars.

best of luck... in your new job!
